

Your chance to join in
the success story that
is indEx Enclosures

indEx

Due to our rapid growth, and ongoing appeal within the UK, EU, US and Singapore markets, indEx enclosures limited are looking for dedicated experienced agents and representatives to share in our success and become a full partner selling our hazardous and industrial products, fabrications, solutions and services in the following geographical areas / countries:

South America

- Brazil
- South America

Europe

- Bulgaria
- Czech Republic
- Finland
- France
- Holland
- Hungary
- Italy
- Norway
- Poland
- Russian Federation
- Spain
- Turkey

Middle East

- Kuwait
- Oman
- Saudi Arabia
- UAE

Africa

- Ghana
- Nigeria
- South Africa

Asia

- India
- Japan
- Pakistan

Australasia

- Australia
- New Zealand

High quality, custom size enclosures with prepared entries at standard enclosure prices, supplied at a lead-time that suits our customers. This is what is possible when combining 70 years of enclosure & fabrication manufacturing experience, the latest metal fabrication technology with breakthrough logistical thinking.

What you can expect from indEx

- Full sales and expert technical support and troubleshooting
- Highest quality service from professionally dedicated and experienced engineers
- World class enclosure, fabrication, solutions and products
- Rapid delivery
- Ongoing training and auditing by appointed engineer
- Access to one of Europe's fastest growing hazardous and industrial enclosure manufacturers
- Complete turnkey design and highly competitive pricing
- Stock profile to suit your local area
- ATEX and IEC Ex full certifications
- State of the art software, laser profiling, forming, welding and fabrication machinery
- Access and advertising to the indEx website portal which is forward thinking, innovative and updated on a regular basis
- Targeted literature to suit your area
- Young business with huge potential looking to forge long lasting relationships in a hugely competitive and a "health & safety first" conscious environment

What we need from you

- At least 5 years proven sales track record of industrial enclosure/ fabrication (hazardous area preferable) but full training will be given
- Committed, honest and reliable persons that have a willingness to go that “extra mile” for our customers
- Excellent access to road, air/sea transport hubs
- Targeted sales with regular KPI auditing
- Agents to have Warehouse of at least 1000sqm. After a period of time would expect agent to take an agreed stock profile
- Agents to have Access to basic tooling/ machining for enclosure modification after successful training period
- After successful completion of auditing, agents and/ or representatives would be expected to promote and sell indEx products exclusively although there would be room for negotiation if said agent has previous history with like for like companies and that also have excellent standards on a par with indEx Enclosures
- indEx Enclosures reserves the right to terminate any contract or work with immediate effect if is deemed detrimental to the indEx brand
- It is imperative from the beginning of any business agreements with indEx that the agent/representative “buy’s in” to the indEx culture of world class customer service, highest quality and the pursuit of excellence in all areas.
